Project Value: £5m

Programme: 2000-2003

Architects: Arts Team @ RHWL

CMS Duties:
Project Managers

Procurement: Traditional

Funding:
Arts Council England
SEEDA / SRB
Brighton & Hove
Council Sponsorships

Providing a 400 seat auditorium within a grade 1 listed building without fixing to any part of the above ground structure was complicated by the need to provide a 1200 capacity flat floor venue. The use of totally demountable and removable structures for the theatre allowed this to be achieved.
