

# Garden Museum

## Location:

Lambeth, London

## Project Value:

## Funding:

Heritage Lottery Fund

## Cragg Management Duties:

Jon Satow – HLF  
Monitor

The Garden Museum holds the UK's first collection dedicated to garden heritage which charts the development of garden design and horticulture throughout history. The support from HLF will help develop the museum's plans to expand and improve their exhibition and education spaces, exhibit the majority of their collection for the first time and develop new and innovative learning programmes.
