

Museum of East Anglian Life

The Museum was awarded a grant from the Heritage Lottery Fund to renovate Abbot's Hall and Crowe Street Cottages. The project completed in April 2012, before officially opening in June 2012 and features 9 exhibition spaces exploring ideas of home and belonging in East Anglia, as well as space for temporary exhibitions to be displayed. Crowe Street Cottages, which served as workers cottages to those who worked in Abbot's Hall have been displayed as they would have looked when the last owner lived there.
