

# St Albans Cathedral

St Albans Cathedral has been a site of continuous worship and pilgrimage for over 1700 years and sits on the site of the execution and burial of Alban, Britain's first Christian Saint. It is an outstanding historic building which has played a pivotal role in the city's history.

Much-needed conservation work will take place on the shrine of St Amphibalus, and a comprehensive education and events programme is also planned.

**Client:**  
St Albans Cathedral

**Location:**  
St Albans, Hertfordshire

**Project Value:**  
£9m

**Programme:**  
2014-2019
