

# York Minster

The York Minster Revealed project is a five-year project generously supported by the Heritage Lottery Fund, scheduled for completion in early summer 2016. It is the largest restoration and conservation project of its kind in the UK and will transform York Minster as a visitor attraction whilst conserving its world-class stonework and stained glass for generations to come.

**Client:**  
Dean & Chapter York Minster

**Location:**  
York

**Project Value:**  
£1.5m

**Programme:**  
2011-2016

**CMS Duties:**  
Quantity Surveyor

**Funding:**  
Heritage Lottery Fund

## The project will include:

- State-of-the-art multimedia galleries
- New displays of historic collections and stained glass
- Interactive interpretations that will create new learning opportunities for all ages.
- Improved access to the South Transept, Undercroft, Treasury and Crypt will transform the experience of visiting York Minster for everyone.
