

Brighton Museum

The restoration of a grade 1 listed museum building and the upgrade and fitting out of 13 new gallery spaces and IT facilities together with the creation of a new stand alone external Education "pavilion".

Project Value

£10.3m

Client

Brighton Dome & Museum Development Company

Programme

1998-2004

Architects

Arts Team @ RHWL and R&R Designs

Cragg Duties

Project Managers

Procurement

Traditional

Funding

ACE HLF SEEDA
Kent County Council

The works had to be carried out to 13 gallery spaces whilst the Museum and adjacent Royal Pavilion remained open to the public. Temporary boilers and plant were utilised while the original boilers were removed and intricate phasing plans implemented for the works.
